

2024

SUSTAINABILITY UPDATE

The purpose of this Sustainability Update is to maintain transparency with our stakeholders by providing updated performance metrics, including key sustainability KPIs for Horizontal Wireline Services, LLC (“Horizontal,” “we,” or “our”). This report discloses select sustainability metrics we track across our organization. Unless otherwise indicated, the data and information presented cover Horizontal Wireline Services, LLC and its subsidiaries for the calendar year 2024. For additional details on our sustainability initiatives, please refer to our 2023 Sustainability Report and the related narratives and disclosures available on our website. This report is for informational purposes only and should not be relied upon as legal, tax, or investment advice, nor does it constitute an offer to sell or a solicitation to buy an interest in the company.
